

Eden Prairie High School boosters

Eden Prairie High School Booster Association Meeting Minutes

May 4, 2006

The meeting was called to order by President Anne Byrne at 9:37 a.m. Anne welcomed everyone to her first meeting as President. The 06/07 treat schedule and the Booster Board contact info sheet were passed around.

Concessions:

Joe Enfield reported the football concession fund raising letter has gone out to all groups. The only game not scheduled was the 8/31 game against Apple Valley.

We will have open concessions for the upcoming conference track meet 5/15 and 5/16. Volunteers were solicited from our group to help with all of it. Anne Guttman will coordinate the volunteers.

Booster Relays went well but sales were low due to terrible weather. The rain did indicate a few leaks that soaked the carpet area.

Minutes from the March 25 Annual Meeting were reviewed. Jan Kruchoski moved to approve as read. Stephanie MulQueeney seconded the motion. Motion approved.

Anne presented Kathy Bykowski with a basket of flowers in gratitude for her year as Booster President.

Special events:

Tale Feathers – Pam Guttman said the date for next fall will be Friday, September 8. She also asked to step down from chairing this event due to family conflicts that weekend. After some discussion, Jan K. and Kathy B. agreed to co-chair this event.

Timberwolves Fundraiser – Pam G. reported after further review, we declined participating in this event. Nancy Schmitt talked with the other schools who had participated or were considering participating. All agreed the ticket requirement could be very prohibitive from making a large profit. The Boosters did communicate this back to the Timberwolves and thanked them for considering them, and asked that they would keep them in mind for future opportunities.

Treasurer's Report

April was a slow month, with sales from Booster Relay t-shirt sales. Pam G. moved to approve the report. Pat Hadfield seconded the motion. Motion approved.

Scholarship Committee:

Mary Bloomquist reported there were 60 applications. All applications were compared to the Mission of the Award and parred down. Calls were made to the recipients on 5/7 to ensure they would be in attendance at Awards Night 5/18.

Eden Prairie High School boosters

Eden Prairie High School Booster Association Meeting Minutes

Corporate Membership:

Meg Gregory reported dollars have been coming in!! There were a few problems with the mailing, and we had fewer students helping with this project than in previous years.

Booster Relays – tabled until June so Jo Lewis would be present..

Spirit Store:

Chris Valone told us the scrap books and supplies were ready to for sale. We will take inventory the end of May. Clearance sale will be held in August.

Publicity:

Jackie Faber reported the fund raising info was in both the EP News and the Sun Current.

Individual Supporters:

Transitioning to new volunteer group. Thank you to Sue Takakawa for her seven years in this role.

Volunteer Coordinator:

Anne Guttman asked for any help possible for the upcoming conference track meet.

Student Activities:

Jill Johnson gave us a recap of what's going on for the next few weeks. Spring play is another great performance and is a great comedy. It's mid-season for the spring sports, and it's been another great school year.

Quiz Bow Nationals – Face Off Minnesota – both will be televised next week.

There was a question about who provides banners for national champions. Jill will ask Mike Grant about this.

Jill provided additional information, a mini 'year in review' for all activities.

Pat Hadfield moved we adjourn the meeting. Mary Bloomquist seconded the motion. Motion carried.

Meeting adjourned at 10:29 a.m.

Respectfully submitted,

Pam Guttman
Data Coordinator/Secretary
