President Report: Mary passed out PAC Meeting schedule looking for volunteers. Mary said the script has been updated and will send out to boosters. Mary also asked how we felt about starting booster meetings at 9:00am rather than 9:30am. All approved it for the 2008 school year. Volunteer shares were discussed and reminder to heads of committees to get volunteer shares to Deb Keeler. Share values are \$11. The group monies for volunteering for a soccer or LaCrosse double-header will be \$100 per game, and \$100 for all play off games. One team will be asked to volunteer for the whole soccer or LaCrosse season. If further discussion is needed on volunteer shares Mary said we will create a task force outside of regular booster meeting. Mary also asked about lowering the number of volunteers to 25 for football concessions. In addition, we will take out of the booster by-laws that concession volunteers need to be over the age of 16. **Welcome To Dan Kurtz who may be taking over Joe Enfield's position. Go Dan!**

Concessions: Joe Enfield said we will have some leftovers from concession stand and will give some things to the ABC House. Everything is Awesome and in working order!

Treasurer: Donna Brand confirmed we have done well with our budget in every category. She indicated that she is working on switching out the checkbook to a new bank. She also has invested monies with Waddell & Reed. Great Job Donna!

Student Activities: Nancy Schmidt shared about her trip to Mexico City. She was extremely proud of the pom squad and of EP. We were the "Honored Guests." It was wonderful experience by all. She also asked if the Boosters could donate funds towards the Athena Award winner. The boosters said that we would leave it up to Activities office to allocate the funds. A question was asked for a list of previous booster monies given to the Activities as to where the monies were spent. Prom 2009 is scheduled for May 8 at the Sheraton 494/100. Hotel reservations are discouraged.

Activities Pass: Per Deb Kampe Activity Pass Sales are at \$35, 000. Discussion to sell Activity passes at all PAC meetings with a new script in hand. Mary will email us with this for future meetings.

Corporate Sponsors/ "Booster Gift Card" (SCRIPS): Jan Kruchoski reported that we have reported a \$600 net profit for the Gift Card program as of today's date. Great Program! Cedar Ridge and Forest Hills schools

Rhonda Blatti was at the meeting and gave us some great ideas for ordering inventory. Jackie Liter was also at the meeting and she has committed to being the Volunteer Coordinator for the Spirit Store. Thanks Jackie! A suggestion was made to get the spirit store cart to the freshmen commons. Spirit Store website changes are in full force with several people working on it. Deb Kampe has worked with Cindi and Carmen on new updates. Talk about hour changes for the store after the first of the year, and being open during a few boys and girls basketball games was discussed and scheduled.
