

Educating for success in our diverse and changing world.

Spring, 2008

Dear Parent/Guardian:

You are receiving this letter because your student received a grade of F or I (Incomplete) in one or more classes we plan to offer in Summer School. If your student receives an F or I in a 4th term class, you will NOT be notified again. Grades will be available on the Eden Prairie Schools website at 4 p.m. on June 9.

Summer School at EPHS will again be based on an Independent Study model and will be offered through District #287 at no charge. However, students must provide their own transportation. Students who are at least 14 years old have the opportunity to make up a maximum of 2 credits. The program will begin on **Wednesday, June 11 and be available through Thursday, July 24.** Classes are held Mondays thru Thursdays. A student will be dropped after 2 absences.

14 and 15 year olds will attend 4 days per week, will be required to be in class a minimum of 22 days, and do the work required to achieve 85 units which equals 1 credit. **THERE WILL BE HOMEWORK ASSIGNED AT EACH SESSION.**

16 years and older will attend 2 days per week (either Mon./Wed. or Tues./Thurs.), will be required to be in class a minimum of 9 days, and do the work required to achieve 85 units which equals 1 credit. **THERE WILL BE HOMEWORK ASSIGNED AT EACH SESSION.**

*Students should carefully consider both the attendance policy and the homework policy before registering.

Students should be registered by May 30 to ensure that the class can be offered. Please complete the attached registration form based on the information below:

ENGLISH 9: Offered to 14 years and older – student must attend 4 days per week.

ENGLISH 10, 11, 12: Offered to 16 years and older – student may attend 2 days per week (either Mon./Wed. or Tues./Thurs.)

AMERICAN STUDIES 9 & 10: Offered to 14 years and older. Student attends either 2 days per week or 4 days per week depending on age.

PHYSICAL SCIENCE: Offered to 14 years and older – student must attend 4 days per week.

BIOLOGY: Offered only to 16 years and older – student will attend Tues./Thurs. each week.

ALGEBRA I: Offered to 14 years and older. Student attends either 2 days per week or 4 days per week depending on age.

GEOMETRY: Offered only to 16 years and older – student will attend Mon./Wed. each week.

HEALTH: There is a possibility we might be offering one section of Health. Please contact Ms. Brown if you are interested.

***If the required class your student needs is not listed, please note that request on the registration form.**
