

2017-2018 Early Childhood School Supply List

The early school years are such a magical special time in a child's life. We are looking forward to building a wonderful relationship with your child and consider it a privilege to be part of their learning and growing!

We love to do gooey, messy and creative projects with our toddlers and preschoolers to help foster their learning and creativity in a variety of ways. You can help in this effort by making a donation to the classroom supplies our teachers use to create fun, educational curriculum each school day.
