Kindergarten options

Eden Prairie Schools offers two high-quality options for your child

Neighborhood School

Each of our five neighborhood elementary schools offers an excellent full-day kindergarten program where students benefit from a nurturing, yet high-standards approach to learning. Through personalized learning, our strong curriculum is designed to inspire and support each young learner's unique talents and gifts. All of our classrooms emphasize the 4Cs: communication, collaboration, critical thinking and creativity. Eden Prairie's reputation of excellence runs deep throughout our district; all of our neighborhood elementary schools have received one of the state's top "Reward" or "Celebration Eligible" designations. We invite you to visit your neighborhood school to see our wonderful students and staff in action.

Spanish Immersion School

All families are invited to consider a bilingual educational experience for their child at Eagle Heights Spanish Immersion elementary school. Eagle Heights offers a full immersion experience for students in kindergarten through sixth grade. Our young scholars are taught the same full-day curriculum as our high-quality neighborhood elementary schools, but the content is delivered in Spanish. (Art, music and physical education classes are taught in English.)

Registration materials must be turned in by 4 p.m. on January 31, 2019. A lottery will be held in February 2019 to determine placement. Online registration is encouraged. For more information visit: www.edenpr.org/Spanish-Immersion.

Parent/Guardian need-to-know

Early Childhood Screening

If your child is between the ages of three and five, it's time to schedule his or her Early Childhood Screening. This is a FREE and simple check of how your child is growing and developing, which includes hearing, vision, speech, and motor abilities. The state of Minnesota requires that all children be screened before they enter kindergarten. View current appointment availability online at www.edenpr.org/ECscreening or call 952-975-6940.

Safety & Security

The safety and well-being of your child is our highest priority. We work to ensure school grounds and building entrances are carefully monitored by trained staff. Students are not allowed to leave during the school day unless signed out by an authorized adult. All staff are required to wear an ID badge throughout the school day. All visitors must sign in with a valid ID at the school's main office and wear a visitor badge.

Busing & Transportation

We provide bus transportation at no cost to kindergartners who are within the boundaries of Eden Prairie Schools. We have a highly-trained staff, a strong safety record, and well-maintained vehicles. We also provide training to all students on safe riding expectations and emergency evacuation procedures. For more information, call 952-975-7500 or visit www.edenpr.org/Transportation.

Before & After-School Care

Eagle Zone offers a fun and safe environment that provides kids with engaging and exciting activities before and after school. Community Education will begin accepting registration in March 2019 for September 2019 enrollment in the program. Families are encouraged to register prior to August, as sites have a processing period of up to two weeks for all new registrations. Learn more at www.edenpr.org/EagleZone.

Gifted & Talented

Each child has unique talents and abilities, which is why we provide multiple levels of accelerated curriculum to nurture the development of our learners. An example is our full-day Gifted & Talented program, Mosaic. This program provides challenging curriculum at an accelerated pace while meeting the unique academic and social/emotional needs of highly gifted learners in a supportive educational environment. Allow us to show you the accelerated opportunities for your child. Learn more at www.edenpr.org/gifted-talented.
