

Dear Parent/Guardian,

Central Middle School offers a comprehensive, challenging curriculum for students in 6th through 8th grades.

If you would like information about any of the courses at CMS, gifted services or other student support services, please refer to the [Curriculum Guide](#) on the CMS website. [Click here to access the Student Campus Portal](#) to register for classes for the 2023-24 school year through Academic Planner. **Online registration is open from February 1st through the 16th.**

Students requesting courses for their 8th grade year will have the following options to select from. Students are automatically registered for Health and Physical Education. In consultation with their current math teacher, students may choose between Algebra 8 and Honors Algebra 8. Students currently enrolled in Spanish Social Studies may select Core Spanish Social Studies or Enriched Core Spanish Social Studies on their registration form.

We look forward to partnering with you in your student's education.

Felicia Thames, Principal

Shannon Kubicek, Associate Principal

Cedric Fuller, Associate Principal
