# It's time to start your Inspired Journey!

Dear future Eagles families,

We're happy to welcome you and your student to the Eden Prairie Schools community! Kindergarten is a major milestone in your child's learning, and we know you have many choices for where to go to school. We'd love to have your student start their Inspired Journey of discovery, exploration and pursuit here in Eden Prairie Schools. # Kindergarten need-to-know

## Early Childhood Screening

When your child is between the ages of three and five, it's time to schedule an Early Childhood Screening. This is a FREE and simple check of how your child is growing and developing, which includes hearing, vision, speech, and motor abilities. Screening involves playful activities so your child has fun while being screened. The state of Minnesota requires that all children be screened before they enter kindergarten; typical child check-ups with a doctor do not replace screening.

View appointment availability online at [edenpr.org/ECscreening](https://edenpr.org/ECscreening) or call 952-975-6940.

## Before- & After-School Care

Eagle Zone offers a fun and safe environment that provides kids with engaging activities before and after school. Community Education will begin accepting registrations in spring 2024 for September 2024 enrollment in the program. Families are encouraged to sign up prior to August, as sites have a processing period of two weeks for all new enrollments.

Learn more at [edenpr.org/EagleZone](https://edenpr.org/EagleZone).

## Safety & Security

Student safety is our top priority. When you visit our schools, you'll notice secure building entrances that are carefully monitored by trained staff. All visitors must sign in with a valid ID and wear a badge at all times, and students may not leave during the school day unless signed out by an authorized adult. All security measures are built on a foundation of strong relationships between students and staff.

## Busing & Transportation

Bus transportation is free to all families who live in Eden Prairie Schools boundaries and enroll in either their neighborhood elementary school or Eagle Heights Spanish Immersion. Our bus drivers are highly-trained, we have a strong safety record, and our vehicles are maintained right here in Eden Prairie. We also provide training to all students on safe riding expectations and what to do in an emergency.

For more information, call 952-975-7500 or visit [edenpr.org/Transportation](https://edenpr.org/Transportation).

## Gifted & Talented

Each child has unique talents and abilities, which is why we provide multiple levels of accelerated curriculum to nurture the development of our learners. From our weekly Young Scholars and Key groups to the immersive full-day Mosaic program, your child will receive the right amount of challenge to reach their full potential.

Learn more at [edenpr.org/gifted-talented](https://edenpr.org/gifted-talented).

## Special Education Services

In Eden Prairie Schools, students with disabilities are served by highly qualified and caring teachers, paraprofessionals and administrators who are dedicated to meeting your child's needs.

From early intervention to community-based vocational training, students receive a quality, individualized educational program supporting as much independence as possible.

Learn more at [edenpr.org/SES](https://edenpr.org/SES).

## Health Services

Our Health Services team has a unique understanding of students' physical, social, and emotional health and the resulting impact on learning. Each school is staffed by a nurse and a health service paraprofessional. Our nurturing staff members are here to give your child the best care possible.

Visit [edenpr.org/health](https://edenpr.org/health) to learn more.

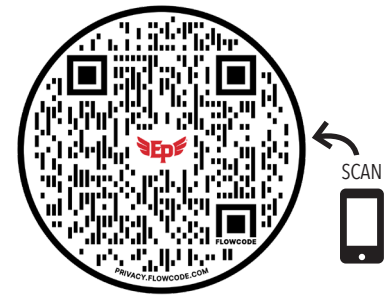

## Parent Involvement

We encourage families to be involved in their child's school and partner with them to enhance the educational environment for all of our students. Fundraisers and enrichment opportunities are held throughout the year at each school. To learn more about getting connected with the PTO and other volunteer opportunities inside and outside of the classroom, please contact the main office of your child's school or visit [edenpr.org/volunteer](https://edenpr.org/volunteer) to learn more.
