PROP Summer Food for Kids

Third grade students will be helping organize a PROP Summer Food drive this year. During the summer when children do not receive free/reduced meals at school, PROP provides additional food to their families so kids can flourish at home. In 2021, 621 children from 305

unique families were served by Summer Food for Kids.

We will be collecting 18 oz. jars of jelly through June 1. Please know that size does matter so that equitable food packages can be created at PROP. Be on the lookout for more detailed information from your homeroom teacher.

What's Happening Outside

Thanks to our wonderful EHSI and Oak Point PTO organizations, we now have a new hammock area on the playground! Teachers can sign up for a slot for their entire class to swing away at recess!

Minnesota's Best - Voting Opens Soon!

We are excited to have been nominated again in the Star Tribune's Minnesota's Best as the best immersion school. Voting opens April 25 and goes through May 18. You can vote once a day, so get ready to help us win for a second year in a row!
