

## **Update from Coach Teigen – February 25, 2021**

I hope everyone is staying healthy and you are all excited to get the season going. We have a general outline of the season: **March 29<sup>th</sup> start date** – section and state tournament dates TBD. We are still awaiting clear MSHSL guidelines on invitationals and match protocols.

**Spring registration is open, so please get registered.**

**There will be an EPHS PAC meeting Zoom for all spring sports Tuesday, March 23<sup>rd</sup> at 6:00 with Athletic Director Russ Reetz. This will be followed by a Girls Golf specific breakout meeting.**

**Regarding tryouts.**

In the past we have spent two weeks before spring break in the dome, and from there had a good idea which players would try out for varsity and which would start on the JV. The criteria – does the player have the swing skills and the golf knowledge to be able to play a regulation course generally in the mid 50's or better. If not, we start them on the JV, though they can progress to the varsity at any time. I will arrange practice times for the week of Spring Break for those who will be in town to help get a head start on development. Plan on getting started with our first outdoor rounds on Monday, April 5<sup>th</sup>. We will hope to have a nice week and be able to get multiple rounds in that week. I will do the best I can to send players to the appropriate courses on that day – Bent Creek or Glen Lake.

I will try to keep you updated,

You may reach out with any questions,
